REFERENCE

TRACE – SOFIA EAD, Sofia, presents this reference to **AVIS ENGINEERING EOOD**, Plovdiv.

AVIS ENGINEERING EOOD was a subcontractor under Procurement for "Restoration of trolley bus overhead lines along A. Saharov Blvd." of **TRACE – SOFIA EAD**, Sofia, with Contracting authority of the procurement **Metropolitan EAD** in the period from 05.05.2007 to 29.05.2007. The cost of finished works was 131 396 leva.

The company is specialized in construction and reconstruction of Overhead lines for railways, tramways, trolley-bus lines, as well as all the activities concurrent to such construction works.

The contracted construction and assembly works were performed in term, in the required volume and at a very high quality. The materials used corresponded to the active statutory regulations and requirements of the Contracting authority.

During the construction an excellent organization was established which allowed following the set time schedule and technology, as well as to observe the approved projects, standards and statutory documents.

AVIS ENGINEERING EOOD, Plovdiv has specialists and workers with the necessary qualification and experience, required for working on transport electrification. The company owns the necessary specialized machines and equipment required to perform the assembly works.

This **Reference** is presented to **AVIS ENGINEERING EOOD**, Plovdiv, to serve for participation in tenders, competitions and procedures for assigning and performing construction works.
