Date: 02 February 2009

**About: Reference: Placing optical cables on the posts of contact network in the section Sofia – Dragoman**

**DEAR SIR/MADAM,**

With the present document SIEMENS EOOD confirms that AVIS ENGINEERING EOOD successfully executed a contract for construction and installation works on site: "Aldomirovtzi Traction Substation" subsite: "Placing monomode 24-thread optical cable on the posts of contact network in the district Sofia – Dragoman"

The scope of the contract included engineering, supply of cable reinforcement, fitting of contact network on the posts/ in canal network and tests of a total of 55 km of optical cable together with all other necessary appliances and materials.

The cost of the contract amounted to 657 000 lv with execution period April – December 2008.

We confirm that AVIS ENGINEERING EOOD rendered us serious and professional assistance in a way that was absolutely satisfactory for us.

Respectful:  
/signature/ /seal/
